SECTION III

1. Articles of Incorporation:

Include one copy of your company's or individual's articles of incorporation.

2. Payment of Initial Permit Fee, Expiration Date December 31st:

A company check or money order in the amount of \$50.00 payable to the Alabama LP-Gas Board for Class C and C1 permits. For Class C2 permit the application fee is \$100.00. In addition to the application fee **you must** include the Surety in cash in the amount of \$100.00.

The check or money order will be held on deposit at the State Treasury until action has been completed by the Board. If the Board fails to initially approve this application the accompanying fees and Surety in cash will be returned upon written request. . Once the application has been initially acted on by the Board and approved none of the fees shall be returned.

Failure to meet all requirements on the application within (60) sixty days after Board approval will result in cancellation of the application and all fees will be forfeited.

3. Return of Completed Application:

This application must be recorded as received in the Board Office in Montgomery with all required sections completed prior to Board's next regular scheduled meeting for consideration at that meeting.

4. Appearing Before Board:

In some cases applicants may be required to appear before the Board in person in support of their application. If an applicant is required to appear, the Board Administrator will notify the applicant within seven (7) days of the Boards next regular meeting.

5. Brief statement of your experience:

If additional space needed use bottom of back page.

SECTION IV

Following approval of application the applicant must within sixty (60) days after notification comply with the following:

1. Cash Surety and Insurance:

Execute and file with the Board a cash Surety in the amount of \$100.00 and evidence of insurance as required by section 9-17-105 of the Code of Alabama 1975. NOTE: The certificate of Insurance must be completed on the form provided by the Board.

2. Board Code review:

The applicant is responsible to ensure that all employees who will be working under his or her Class "C, C1 or C2" permit have taken and satisfactorily completed the required LP-Gas Code review knowledge evaluation within sixty (60) days after the applicant has been notified by the Board his or her application has been approved. The applicant further agrees that any new employee will be required to take and pass the written LP-Gas Code review within ninety (90) days of employment or before an unsupervised work task is performed. The Class C2 permit is a practical knowledge evaluation.
